HOUSTON CHILDREN'S AUTHOR

Army Camels: Texas Ships of the Desert A true Wild West Texas tale during the 1860s. Bought for the army to explore the western United States, the camels crossed the ocean and landed on the Texas shore for an amazing adventure. For ages 4-10.

Happy Birthday to Whooo? Guess which animal has been born by clues in each birth announcement. Then turn the page to see if the guess was correct. For ages 3-8. **A perfect birthday and/or baby gift!**

One Odd Day When a boy wakes up he finds things are a bit odd at home. His shirt has three sleeves and the dog has five legs! Will things be any better at school? When will this odd day end? For ages 3-8.

My Even Day Now the boy wakes up and his mother has two heads! Today must be an even day. A field trip to the zoo is full of unusual animals. The wild Scramblesaurus is one-of-a-kind. For ages 3-8.

My Half Day Today the boy's hair is $\frac{1}{2}$ long and $\frac{1}{2}$ buzz. With his friend, Donna, they attend Camp Fraction. Archery targets are on cactus and the $\frac{4}{9}$ of the soccer team soar in from Mars! For ages 3-8.
